INCLUDED IN YOUR COVERAGE

Towing

Any tow to a qualified repair facility within a **150 mile-radius**.

Flat Tire Change

If your spare won't work, we'll provide you with transportation to the nearest tire store for repairs.

Battery Jump Service

We'll arrange for a service provider to assist you and get your vehicle moving again.

Emergency Fuel Delivery Service

We'll arrange for a service provider to deliver two (2) gallons of fuel to your covered vehicle. You are responsible for the cost of the fuel at the time of delivery.

Key Lockout Service

We'll send a service provider and pay up to \$100 per occurrence to cover the cost of the locksmith service.

Engine Group

The following internally lubricated parts are covered: Crankshaft, rod and main bearings, oil pump, fuel pump, diesel injection pump, water pump, internal belt tensioner, timing chain and sprockets, timing belt and pulleys, timing chain housing (lower), camshaft, camshaft bearings, cam tower, valves, guides and seats, valve springs, valve lifters, rocker arm assemblies and pushrods, valve guides, pistons and rings, wrist pins, connecting rods, motor mounts, distributor drive gear, rotors, rotor seals, rotor chamber, eccentric shaft and bearings, balance shafts, and pressure release valve. Engine block, cylinder heads, harmonic balancer and retainer belt, crankshaft pulley, valve covers, oil pan, oil filter/adapter housing, vacuum pump, dipstick and tube, and seals & gaskets for all above listed components.

Brake Group

Master cylinder, power brake cylinder, vacuum assist booster, hydro boost, disc brake caliper, wheel cylinders, compensating valve. The following ABS Components are covered: hydraulic control unit, electronic control processor, wheel speed sensors, hydraulic pump/meter assembly, pressure modulator valve, isolation dump valve, and accumulator.

Drive Axle Group (Front or Rear)

All internally lubricated parts contained within the drive axle housing including pinion bearings, slide carrier bearings, ring and pinion gears, carrier assembly, and thrust washers. Axles, axle bearings, constant velocity joints, and seals & gaskets for all above listed components.

Electrical Group

Alternator, starter motor, front and rear wiper motors, voltage regulator, distributor, solenoids, electronic fuel injectors, throttle position sensor, front oxygen sensor, crankshaft position sensor, camshaft position sensor, fuel pressure sensor, electronic ignition module, ignition coils, power window motors/regulators, power mirror motor, power seat motor, 4WD or color meter, power lock actuators, and the following manually operated switches: window switch, seat adjuster switch, headlight switch, turn signal switch, door lock switch, wiper switch, and ignition switch.

Transmission, Transaxle & Transfer Case (Automatic, Standard, 4x4/AWD)

Case and all internally lubricated parts contained in the housings including: valve body, oil pump, torque converter, main shaft clutches, bands, drums, gears sets, bearings, bushings, sealing rings, solenoids and electronic shift control (and linear only), shift fork, synchronizers and transmission mounts, dipsticks, and seals & gaskets for all above listed components.

Turbocharger/Supercharger

Factory installed turbocharger or supercharger, including housing and all internal parts, waste gate controller, intercooler, hard lines, compressor clutch and pulley, and bypass valve.

NOTICE: These are general coverage descriptions. Please refer to the Limited Warranty contract for complete terms and coverage.
